Report on TLP

Topic- Abortion and MTP Act

Date- 25/11/2025

Time- 9am to 10am

Venue- Final Year BAMS Classroom

Organized by- Department of Prasutitantra and Striroga (PTSR)

Speaker- Dr.Abhijit A. Shinde

Summary

A **Teacher Learning Programme** was conducted by department of Prasutitantra and Striroga on Dt-25/11/2025 titled "**Abortion and MTP Act**" under TLP. Teaching staff and final year BAMS students were present at the time of session. Dr.Abhijit Shinde Sir was introduced by PG student Dr.Akash Jadhav. Dr.Abhijit Shinde Sir has been felicitated by Dr.Vishakha Pachore Madam (Professor and HOD, Department of PTSR).

Introduction- A lecture was conducted on the topic "Abortion and MTP Act" by Dr.Abhijit Shinde, an esteemed obstetrician- gynaecologist and expert in his field. The session was attended by medical students, interns and faculty members aiming to deepen their understanding about Abortion and various ammendments in MTP Act.

Objective-

The primary objective of the session was to provide insights into:

- *Understanding the etiology and types of abortion.
- *Its management.
- *Learning about MTP Act and its recent amendments.

Summary of the Lecture-

1. Abortion-

Dr. Shinde began the session with an overview about the etiology and types of abortion. He explained in detail the process of spontaneous and induced abortion. He also explained about diagnostic tools and complications. He shared

2.MTP Act-

Dr.Shinde then explained in detail about MTP Act made in 1971 to legalize abortion methods in India. He described the aims, objectives, definition of RMP for MTP, limitations of Act.

3.Recent Amendments in MTP Act-

In 2021, some amendments were made in MTP Act to solve the legal issues and to comply patient convenience. These amendments were described in detail by Dr.Shinde.

Interactive Session-

The session concluded with an interactive Q & A round, where students asked insightful questions regarding types of abortion and its clinical features. Dr.Shinde provided practical advice and shared his own clinical experience.

Conclusion—

The guest lecture by Dr.Abhijit Shinde was highly informative and well received. It enhanced the participant's understanding about the clinical features of abortion, a crucial aspect in early diagnosis and management.The session was a valuable learning experience for all attendees.

Acknowledgement-

We extend our heartfelt thanks to Dr.Abhijit Shinde for taking the time to share his expertise and to the organizing team for such an enriching event.
